Meeting 6
29/10/2021 | 11:00 -12:00| Friday
Assigning work load
Note:
The automarker for the leaderboard will be run at 10am on **Tuesday 9th, Thursday 11th, and Saturday 13th of November.** This means the leaderboard will only be updated 3 times prior to your submission.

All functions should be done by next sunday (7/11/2021).

Meeting 7
10/11/2021 | 8:00-| Friday

Getting an idea of the progress of people
Improve the way we've written the tests (incorporate fixtures)
Thinking of ways to decrease the time taken in tests, reducing it to 1 minute, maybe using parallel testing

Need to work on section 5.6 (user stories) and 5.7 (deployment)
Deployment to AlwaysData
